Subject: RE: do we have a re-cap of..
Attachments: EMAIL_Formaldehyde.pdf; EMAIL_NCEA formaldehyde assessment overview document.pdf; FormaldehydeQsforJOZ31219.docx

Andrew has a good memory! Formaldehyde was sent to the IOAA by none other than Jason Fritz on June 23, 2017. I also found "FormaldehydeQsforJOZ" document, but I don't know what it is or why I have it...I think we can just pass that document off?

Including Andrew and Barbara because I think most of this was handled through the Washington Division and we don't have all of the information.
